

Submitter: Dave Kimball
On Behalf Of: Self
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3155

Howdy Committee Members,

As a life long outdoor & off road enthusiast. Who rides Class 1 ATV thousands of miles a year in a variety of states. My home state is the one that puts the most limitations on where & how we access the outback. The small communities could benefit from the OHV community being able to access these places for fuel, food, supplies & even lodging. The ODOT revenues & created jobs are beneficial to our state. I truly believe & support this bill. I hope that you will also!

Thank you,
Dave

Kimball
