

Submitter: Dave Kimball
On Behalf Of: COOHVA
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3155

Hello Committee Members,

As a representative for Central Oregon Off Highway Vehicle Association, I support HB3155. Our state makes it hard to do a lot of OHV traveling, because of legal limitations that being able to street legal our machines would cure. Not to mention the financial benefits to the communities & ODOT.

Thank you, Dave

Kimball
