

Submitter: Dave Kimball
On Behalf Of: Outback Adventure Riders
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3155

Howdy Committee Members,

As a very active member of the OHV community & leader of a group of Class 1 & Class 4 riders who ride thousands of miles each year. The advantages of HB3155 passing are nearly unexplainable. Financial support to communities for supplies, ODOT funds for licenses, jobs created at DMV & many other benefits! Please support HB3155!

Thank you, Dave
