On Behalf Of: Mr Oregon OPPOSES HB 2139  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB2139

I OPPOSE [HB 2139].

The only issue the Housing and Community Services Department should study and implement is the method to immediately close down operations and go-away.

The State of Oregon cannot afford to "House the World" and to continue to grow and maintain the Welfare State.

The indebtedness incurred by the Housing and Community Services Department obliging Oregon Taxpayers to pay is egregious as it is unacceptable.

As a taxpayer and senior citizen, I do not want to pay for the Housing and Community Services Department.

I hope Elon and the DOGE Brothers will strip Oregon's Housing and Community Services Department of all Federal funds.

David S. Wall

Mr. Oregon Concurs and says, "Shutter the Housing and Community Services Department and pay off the incredibly large debt."
