

Submitter: Cathy Holt

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

I am strongly in favor of being able to operate my ATV on selected state/county/local highway while in reasonable distance or situations. We ride our ATV's in several other states and enjoy the convenience of being able to transit highways as needed to access trails, grocery stores, or Rv parks, etc. Thank you kindly for your consideration.
