

Submitter: Rene A Carmolinga

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

The off road world is amazing and some trails are only 15-20 min from ones property and to load up and tow everything down to our location is a big ask and very time consuming our family loves SXS and always want to do the right thing being able to ride from our house to the store to the trail it would be amazing and life changing for not only us but for the off road world.
