

Submitter: Robert Tellez

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

Agree on making this pass a lot of us would love to be able to drive out SXS on the street of course with obeying all laws and having everything that is required to make street legal . Hope you can understand that for some of us this is a passion and take it very serious and are really careful .hope you can agree and make this bill pass.
