On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

I support HB 3155, I believe it would positively impact our community and our ability to use a broader variety of transportation methods. I believe this would also have the potential to generate revenue for tourism like other states do (ie Arizona.)

Please consider that this house bill would be positively impactful. The ability to operate UTV's on roadways would open up so many possibilities for families, farmers, and tourists. I fully support HB 3155.

Thank you.

Sincerely,

Makenzie
