

Submitter: Jesse Rettinger

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

We have so many law abiding citizens that are willing to pay registration and generate MILLIONS of dollars for the state that are extremely safe and not causing anymore harm to our roads. It's time to step up and make this state great again because we have been in a drastic downhill slide for years now. I highly support this decision and the money it will generate will help this state tremendously.
