

Submitter: Nancy Rickenbach

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

To the Honorable Members of the Joint Committee on Transportation,

My name is Nancy Rickenbach and I am a resident of Douglas County and I am writing to express my strong support for HB 3155, which permits the operation of Class I, Class III, and Class IV all-terrain vehicles (ATVs) on highways that are not interstate highways, provided they meet vehicle equipment standards and are registered.

This bill is a significant step forward in promoting safer and more efficient transportation options for Oregonians. By allowing ATVs on non-interstate highways, we can reduce traffic congestion and provide a more flexible means of transportation for rural and suburban communities. This is especially important for individuals who rely on ATVs for work, recreation, and daily commuting.

Moreover, HB 3155 ensures that ATVs meet stringent equipment standards, which will enhance safety for both ATV operators and other road users. The requirement for registration will also help in tracking and regulating the use of ATVs, ensuring that they are operated responsibly.

I believe that HB 3155 will benefit our state by improving transportation options, supporting local economies, and promoting safety. I urge you to support this bill and help make our roads safer and more accessible for everyone.

Thank you for your time and consideration.

Sincerely,

Nancy Rickenbach
