

Submitter: Linda Leyva

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

This is would allow unnecessary and cruel hunting practices that are not in compliance with modern wildlife management. Killing adult cougars results in young, inexperienced animals surviving, creating more conflicts with humans. Studies show that trophy hunting with dogs is not only inhumane but results in more conflicts with people. Please vote no on this measure.
