

Submitter: Brian McDougal

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I am writing in support of measure sb769 to allow voter approved dog hunting for controlling cougars. It seems that game undulate populations have suffered disproportionately due to the improper management of cougars as well as local animal owners. It is imperative that dog hunting be reinstated as a tool to help balance the population of these predators.
