

Submitter: Jason Hinman

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

This would be so great for communities that are near riding area's. It will put a lot more money into the communities as people will ride to town for food and other items that they would have bought elsewhere before they came. knowing they could just ride to town to grab what they need they would shop locally near riding area's. It works very well in Utah and other states.
