Wildfire

Measure, Appointment or  
Topic: SB769

I support the sb 769. As the cougers population needs to be in check.. to big of population in populated lands not enough territory for the amount of cougers losing livestock and deer and elk populations are in a judge decline ... Next is people which has happeneed but for some reason kept quiet... Hmm I know two people that have been attacted and six that have been stocked.....we need control....thank you .
