Measure, Appointment or Topic: HB3155

To whom it may concern,

I'm writing to you in support of the legislation of class 1 ,3 and 4 all terrain vehicles to be able to be driven on roads other than interstates.

It would open up opportunities for revenue and the ability to ride on roads that are closed to ride on at this time.

I use mine for farm and recreational. I'm unable to drive it on the road and it would be a great convenience to be able to.
