

Submitter: Utah Kimball
On Behalf Of: Every OHV Rider
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3155

Hello Members of the Committee,

As a born & raised avid outdoorsman & OHV rider , It has been found that having the ability to travel legally in outback places would be a great help. Not to mention the financial support to the small towns that we would gain access to for supplies, fuel, food, lodging or staging at!

Thank you, Utah Kimball
