RE: Support for HB 2792

To the House Committee On Labor and Workplace Standards,

The amount of money being spent on strike nurses and doctors is UNCONSCIONABLE. Especially when this money could be used to pay their own staff a rightful wage and decent benefits. The gross negligence of providence towards their own physician and nursing staff is absolutely abhorrent.

The community deserves transparency. Providence doctors and nurses deserve SO MUCH BETTER.

Thank you for accepting my testimony and I look forward to your support.
