

Submitter: Celeste Valencia

On Behalf Of: N/A

Committee: Senate Committee On Natural Resources and Wildfire

Measure, Appointment or Topic: SB769 SB

I support SB769. Leaving the decision to individual counties where problems with cougars could be more or less would make the most sense. The amount of Cougars is growing fast and they are adapting to be living in the same territory which, is abnormal to how large cats tend to behave.

Sincerely,

Celeste Valencia
