RE: Support for HB 2792

To the House Committee On Labor and Workplace Standards,

Oregonians deserve to know how their money is spent—especially if it's being misspent. Our hospitals and health systems are community resources which rely on our tax dollars and tax exemptions. As our health systems expand and Oregonians' healthcare becomes more expensive, our community needs more information to perform our oversight responsibilities and ensure the benefits today's healthcare systems provide outweigh the bills they charge.

Thank you for accepting my testimony and I look forward to your support.
