

Submitter:

Jay Burkert

On Behalf Of:

Committee:

Joint Committee On Transportation

Measure, Appointment or Topic:

HB3155

I support use of utv and ATV on roads and hwys .we use ATVs on our farm and access to other owned properties wouldne very beneficial.we also use our UTV for recreational enjoyment and have enjoyed the benefits of other states allowing use of these vehicles on public roadways.Oregon needs to recognize the value it would provide to business and recreation.
