

Submitter: Judy Anderson  
On Behalf Of: Self  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3155

I support this bill. Myself and a large number of friends enjoy the sport of off camping and off-roading. We range in age from 30 to 70, we are respectful of the land we use. Having access to these roads would allow us to visit the communities to get supplies, fuel and patronize restaurants and shops.
