Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

Me and my family have mapped out a route from Detroit Lake all the way past crater Lake we are able to stay on approved trails and dirt roads except for a couple spots where they don't have straight across junctions so I would have to travel asphalt roads for 1 to 2 miles which doesn't seem like an issue or a problem until you think about a \$1000 ticket if the vehicle is set up for it and driven properly, I don't see any reason why you shouldn't be allowed to use the roadway it is allowed in many other states. Thank you.
