Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2792

My family has gone to st.vincent for care for a very long time. The nurses and doctors have always been wonderful. The current replacement nurses have been subpar. They don't seem to know what they are supposed to do and spend more time chatting than caring for patients (family members current experience). I would very much like to know how much Providence is spending on these not great replacement nurses that they could be paying the great nurses they already had.
