RE: Testimony in Support of HB 2792

To the House Committee on Labor and Workplace Standards:

I support HB 2792. I think transparency in strikes and what hospitals are paying for out of state workers during the strike is absolutely necessary. If they are unable to reach an agreement with workers I believe seeing how much they will pay to maintain their position is crucial to transparency to their community.

Thank you for the opportunity to provide comment and I look forward to your support,  
Erin Z.
