On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Natural Resources

Measure, Appointment or SB5518
Topic:

I understand that funding for the Rental Home Heat Pump Program and the Community Heat Pump Deployment Program is not included in this appropriation package. This funding is critically important to keep Oregon on track to meet its carbon reduction goals and to ensure fair access to modern HVAC technologies for renters.

Please consider continuing to support these extremely popular and literally life-saving programs which provide healthier indoor environments for Oregonians.
