Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

As someone who cares about wildlife in Oregon, I strongly urge you to oppose SB 769. I worked to defeat efforts similar to this one a decade ago in the Oregon legislature and I am dismayed to see them back again. This bill would overturn the will of the voters, who have already shown where they stand on this issue—twice. I and other Oregonians are opposed to the hunting of cougars with hounds and want to keep their protections in place. Please prevent this bill from going any farther. Thank you.
