

Submitter: Oregon Nurse
On Behalf Of: ONA
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2792

Greetings House Committee On Labor and Workplace Standards,

It is completely immoral for healthcare administrators to refuse to bargain in good faith with union members and instead throw millions of dollars into replacement workers simply to break a strike. Please consider requiring financial transparency on hospital "strikebreaking" costs so that the public can see the truth about where the priorities for healthcare companies' lie.

Thank you for accepting my testimony and I look forward to your support.

-Oregon Nurse
