

Submitter: Cynthia Shaner

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

As a longtime resident of Oregon and an avid user of our wonderful natural areas, I strongly oppose SB769 as cruel and unnecessary. We have opposed this cruel and unnecessary proposal at least twice before. Our wild animals are a treasure and should be protected from any cruel practices. It is also cruel to use dogs of any kind to hunt wildlife and encourage their prey drive. Please vote NO on SB769 at the hearing on Feb 11, 2025.
