On Behalf Of:  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB769

As an Oregonian, I strongly urge you to oppose SB 769. This bill would overturn the will of the majority of Oregon voters, county by county, who have already shown where they stand on this issue—twice. Oregonians are opposed to the hunting of cougars with hounds and want to keep their protections in place. Simply allowing each county to dictate which sections of a bill or an entire bill they do not want to apply to them is not legislation by the majority of Oregonians. It is legislation by the minorities against state government in each county. That is not the definition of a democracy.
