

Submitter: Donlon McGovern

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I used to do a lot of hunting but can no longer due to the effects of ageing. Having been a hunter I am opposed to any legislation that would permit the use of hunting dogs to run down cougar. A real hunter meets his intended target on a level playing field. The use of dogs turns a hunt into a shooting gallery. If someone wishes to execute a predator on their own land so be it but not on public lands.
