

Submitter: ALICIA LANE

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: SB458

I drive this road twice a day every day since 2006...this road needs help...there are so many accidents that are fatal. My family is worried daily that something will happen to me as there are so many people who speed and drive carelessly passing people on this road...cutting people off and whipping into lanes when passing to avoid getting hit because they couldn't judge distance.
