Measure, Appointment or Topic: HB2957

As an Oregonian, I strongly urge for the support of HB2957. This bill ensures workers have time to file a complaint, either with BOLI or individually. It also allows workers to find legal representation should they choose to do so. The current 90-day deadline is not enough, and Oregonians should have more space to be able to bring a work related harassment or discrimination (etc.) claim forward.

Thank you.
