On Behalf Of: Mr Oregon OPPOSES HB 2169  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB2169

I OPPOSE [HB 2169].

Once again, another good idea comes to us without any regard to funding the project.

Reclaimed Water projects can be very expensive however, municipalities should begin to divert their final effluent into other uses including percolation ponds (if possible).

"Rain Water Harvesting" should be promoted. Water saved via "Rain Water Harvesting" should be subtracted from Storm Water Management fees- (taxes by any other name).

David S. Wall  
Mr. Oregon Concur.
