Oppose SB947

This is not legal under our US Constitution Article 6 Section 2 cementing that the 2nd amendment shall not be infringed . Over and over again Oregon allows these things to go forward because the people in charge wants them , wanting does not make it legal . Just like requiring the public to go threw a screening process to enter our capital , again not legal . 5th right of our 1st Amendment right to Redress of Grievance you have now put conditions on who can redress . Before you say well just do it on line , that is discriminatory you have placed conditions on a " Protected " Right , not legal . I am an elected PCP who traveled at my expense over and over again to speak against this illegal overreach. You are in violation of your Oath to the US Constitution an oath you are " Bound " to uphold Article 6 Section 3 , just putting a repugnant measure on our ballot is a violation of your Oath . This illegal overreach needs to stop , we should not have to fight you to follow the Constitution as the highest law in our land .(Article 6 Section 2)

Thank You Scott DeCarlo
