

Submitter: Nancy Ahnert

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB547

I support making April Oregon's Native Plant Appreciation Month.

Native plants give Oregon much of its unique natural beauty. They also filter and help provide us with clean water, sequester carbon, are the foundation of our ecosystems, and provide us with biodiversity-we have over 3400 species of native plants in Oregon including 120 species that only grow here.

Thank you in advance for passing this measure.
