On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

I strongly support SB769 and urge you to do the same. I have witnessed first hand the decline in Elk, Deer and Big Horn Sheep in Harney County. While Lion populations continue to rise. This bill will allow County residents and District ODFW Biologist's to balance predator control . Oregon is too large and diverse to not address this at a local level.

Thak you for your consideration.

Sincerely,

Greg Allum, Lifetime Oregonian and pioneer combination licensee
