

Submitter: Elly Branch
On Behalf Of: Oregonians
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB547

Please support SB 547 which will name April as Native Plant Appreciation Month. Native plants have evolved with our native birds, insects and wildlife. They support each other in ways that non-native plants cannot. Native plants are adapted to our soil and climate so do not require harmful chemical pesticides or fertilizers which damage our environment. Thank you for supporting SB 547 which will designate April as Native Plant Appreciation Month.
