

Submitter: Sarah Lawrence

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I believe each county in Oregon should have the right to maintain predator control. Deer and elk populations have decreased throughout the state in the last decade. Allowing us hunters to have the ability to control predators such as cougars, would help benefit our deer and elk populations as well as improve our hunting success rates.
