

Submitter: David Wall
On Behalf Of: Mr Oregon SUPPORTS SB 59
Committee: Senate Committee On Housing and Development
Measure, Appointment or Topic: SB59

I SUPPORT [SB 59].

Senator Hayden outperforms his contemporaries in the Legislature, again.

I am a Beekeeper who gardens raising flowers, herbs, vegetables and fruit trees. Soon chickens will be added.

Planned Communities regulations prohibiting gardening, Beekeeping and Chickens be damned.

Planned Communities with their draconian medieval dictates are no better than being in prison.

Community Gardens should be permitted everywhere they can be appropriately sited.

There should also be exceptionally harsh penalties for those that would vandalize steal plants and or the produce of the Community Gardens.

David S. Wall

Mr. Oregon Concurr and says, " I hope [SB 59] will pass and then several tormented residents of these "slave colonies with their accursed regulations" can grow some really skanky-weed in revenge."
