Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB547

On behalf of Pollinator Project Rogue Valley and our 2,000 followers, we strongly support making April Oregon Native Plant Month.

The success of our mission depends on native plants! Our mission is to inspire, engage, and educate about the ecological importance of native pollinator species and the diverse native plant communities essential for their survival - and ours. We are committed to the creation and restoration of pesticide-free pollinator corridors throughout the Rogue Valley.

Let's celebrate our amazing biodiversity in this great state!

Thank you for voting yes on SB 547!
