

Submitter: Mark Morris

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

I have hunted in Oregon my whole life and fully support a hound season for cougar. I have watched a steady decline of the Mule deer in the state for years. Cougars need to be managed and the best way to manage them is with hounds. I believe that letting counties decide would be a great opportunity to manage cougar numbers and give Mule deer a chance to come back.
