

Submitter: James Robey

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I fully support SB769 due to the rise of lion populations. Our Deer and Elk numbers have taken a drastic decline in numbers because of the lack of predator control. This bill would help better manage the lion population in the state of Oregon and our local area. Please listen to our communities' voices.

Thank You

Jim Robey
