

Submitter: John Carl

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

It is my belief as a 57 year long resident of Douglas and Curry county state of OR that the residents of there own county should be allowed to make the decision on how there county is managed in regard to cougar populations and the laws that regulate it. That the populas of the off the state should not govern over the people that live in lower population county's in this instance.
