

Submitter: Matt LeDoux

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3329

Please increase the film incentive for Oregon. I work in the film industry in rural Oregon and see the economic boost that occurs in these small towns when a film project comes to town. I encourage you to look past Portland and realize that the film industry touches all of Oregon not just metro areas. Thank you!
