Measure, Appointment or Topic: SB947

Dear fellow Oregonians,

Please vote in opposition of SB 947.

The language in the US Constitution and subsequently the Oregon State Constitution are present to address exactly what you see in SB 947. A blatant and organized attempt by the aristocracy to limit the powers of the populace. This bill seeks to make all political dissent and societal justice organizations criminal and limit inherent rights unjustly by legalese. The damage to the fabric of our culture would tantamount to totalitarianism. Please refrain from becoming "mini Trumps" and vote against stripping rights from the very people you were elected to serve.

Leading the people is a charge and responsibility that weighs heavy, but you cannot continue to do so in emotional responses aimed to disenfranchise the constituents of your districts, counties and State. Please vote no on SB 947 and preserve the rights of ALL Oregonians.
