Committee: House Committee On Labor and Workplace Standards

Measure, Appointment or Topic: HB2792

February 11, 2025

RE: Testimony in Support of HB 2792

To the House Committee on Labor and Workplace Standards:

I urge you to support HB 2792, which will require hospitals to report the amount they spend on recruiting and paying replacement workers during a strike or lockout. Transparency in these costs is critical for ensuring accountability in hospital spending and creating safer, more equitable working conditions.

Thank you for the opportunity to comment, and I look forward to your support.
