

Submitter: Susan Bennett

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB380

I am concerned that changes in this and related bills would reduce money in the state general fund for programs for ordinary people. We have heard that expected federal money for such programs may be decreased. The state budget is already stressed even if those losses don't occur. The general fund needs money for programs for ordinary folk. Please ensure that estates with large amounts of money do not get benefits at cost to everyone else.
