Measure, Appointment or Topic: SB947

The overreach of our political system in Oregon needs to stop. Our 2nd amendment rights are being attacked. Think of the millions of dollars they have wasted on measure 114 already. I think the people of Oregon who pay one of the highest taxes in the country need accountability from our people in Salem. The people of Oregon are tired of our Politician's wasting our hard-earned money trying to take our rights away.
