Committee Members:

My name is Larry Osborne, I am an Oregon resident, a property owner, a taxpayer, and a veteran. I'm OPPOSED to SB 947. While Oregon has several critical and pressing issues to address this session, I'm disappointed to see time, effort and expense given to a bill for which there seems to be need, no demand and no reason, other than certain legislators continuing their efforts to obstruct and to restrict the legal and constitutional rights of Oregon gun owners! I sincerely hope the majority see this attempt as what it really is and kill this bill now to save a further waste of time and get back to the serious and real issues your constituents want you to address.

Thank you,

Larry Osborne
