What do you think you are doing - messing with OUR CONSTITUTION - especially in a way that undermines Oregonians ?

I got so mad trying to write this testimony that I had to stop and sit down for a spell. Re-reading this plan just made me madder and I have a difficult time in understanding what you politicians are trying to accomplish in your underhanded attempts to establish new legislation that you may think is good for Oregon citizens..

I STRONGLY DISAGREE !!

STOP this insanity and do what you were elected you to do-- ".Work for the betterment of Oregonians!!

This gibberish you have submitted is "Way "off Course" and will not make for a better future.

In my 90 years, as an Oregonian - this is the dumbest thing I have ever witnessed! .

I don't believe you have the right to change our "intentions" by trying to slip this into our Constitution !!!!!

I can tell you this proposal is just plain STUPID and should go no further!!

Please drop this dumb legislation - you are exercising way more control than was intended.!

For once, PLEASE listen to the people and stop what we tell you is WRONG !
